

View on the beach and the dunes

Here you can optimally enjoy the endless width of the horizon. A lively view of the beach and the beautiful changing sky and sea in all its color shades. This apartment has been renovated in 2019 with a modern kitchen and completely new decor.

Modern furnished

The living room is comfortably furnished with a sofa bed and a large flat screen TV. The bedroom, which offers the same breathtaking view of the beach and the sea, has a double bed and a spacious wardrobe. There is a shower with sink and a separate toilet. On the balcony you can enjoy a wonderful holiday and watch the sun go down while enjoying a delicious drink.

To rent together with Lighthouse

Do you want to vacation together but want your own apartment? We have several options for you, such as the Lighthouse

apartment on the same floor. Ask about the possibilities and availability, we are happy to think along with you.

Noordwijk - never boring

You have an abundance of choices in activities in Noordwijk aan Zee. A cycling or walking tour through the large dune area or through the colorful bulb fields in the spring. Relax on the beach, a 2-minute walk from your apartment. A wide selection of restaurants and cafés on the boulevard of Noordwijk. You can also easily use public transport to one of the major cities such as Leiden, Amsterdam or The Hague.
