With sea view

It gives you a magnificent view across the beach, the sea and the breakers, as well as the Katwijk boulevard. From the balcony you can enjoy the amazing sunset with a glass of tasty wine.

Absolutely suitable for your holiday

The apartment is nice and cool on hot summer days through the air conditioning. There are two bedrooms, one with a double bed and wardrobe and the other with two comfortable single beds. There is a bathroom with shower and washbasin and a separate toilet. The kitchen is fully equipped including a dishwasher and also is a washing machine.

Less than 3 minutes walk away there is the shopping street, directly opposite the 25 km long sandy road running along the North Sea. Walking through the beach and feel the wind blows, dip your toes in the sea and breathe fresh, salty air is something have to done. If you do not want to walk anymore you just take the regular bus service. Katwijk and the surrounding is something what you must see.
