

### Tiny house

Paleon is our smallest but very charming holiday home in Noordwijk aan Zee. This very well taken care off apartment with it&rsquo;s nice and private garden is located in a quiet but central neighbourhood. The distance to the beach is only 300m, a well assorted supermarket and the shopping mile just 400m away. In a word the ideal holiday home for a beautiful and relaxing beach holiday.

### Environment

Of course you have come to Noordwijk for the North Sea and sand but do not forget to visit the old village center itself. Taste the misterious atmosphere and experience an other side to Noordwijk. Walking through the dunes is something what you can not miss. Breath the fresh and healthy salty air. There are many museums, cultural attractions and great events. You can eat delicious sea foods and drink tasty wine in one of the seaside reataurant.

Paleon is small but by it&rsquo;s furnishing and location a very attractive destination.
