### Complex

Aparthotel Zoutelande consists of 30 studios and 18 apartments spread over two buildings, the Paalhoofd building and the Breakwater building. The aparthotel has a unique location, just a one-minute walk from the beach. There is one parking space per suite in a secure car park within walking distance. There is a central storage room for storing bicycles and an area for washing and drying, for a fee. A camping baby bed and high chair can be rented separately.

### Surroundings

Zoutelande is surrounded by high dunes and vast sandy beaches. These beaches are known for their location on the south and their characteristic wooden pole heads. Thanks to a unique combination of wind and water, Zeeland has the most sunshine hours in the Netherlands. A refreshing dip on a warm summer day or a breath of fresh air in the fall, the beach has an irresistible attraction every season! Land and sea offer countless recreational opportunities:
