

This residence has been fully renovated, preserving authentic elements such as the old beams, the fireplace with original Dutch tiles. This residence sleeps 8. The ground floor features a comfortable kitchen diner, fully equipped with, for instance, a dishwasher, a 5-ring hob, an oven and a microwave. The spacious and light living room offers magnificent views across the farmland and has a TV, underfloor heating and a gas heater. You can access the terrace via the kitchen door. There are three bedrooms, one of which is a double with its own shower and wash basin. The second bedroom is a spacious room with lots of light and sleeps four. The third bedroom is a small double room with a wash basin and, in addition to a single bed, a foldaway bed. All bedrooms have box spring beds. In addition to the room with shower, the house also has a spacious bathroom with a bath, wash basin, shower and toilet.
