Noorderwind Oostkapelle Light and old Dutch characteristic house

www.peoos.eu

This residence has been fully renovated, preserving authentic elements such as the old beams, the fireplace with original Dutch tiles. This residence sleeps 8. The ground floor features a comfortable kitchen diner, fully equipped with, for instance, a dishwasher, a 5-ring hob, an oven and a microwave. The spacious and light living room offers magnificent views across the farmland and has a TV, underfloor heating and a gas heater. You can access the terrace via the kitchen door. There are three bedrooms, one of which is a double with its own shower and wash basin. The second bedroom is a spacious room with lots of light and sleeps four. The third bedroom is a small double room with a wash basin and, in addition to a single bed, a foldaway bed. All bedrooms have box spring beds. In addition to the room with shower, the house also has a spacious bathroom with a bath, wash basin, shower and toilet.
