In 5 minutes you can walk to the sea, surrounded by dunes, forest and beach in a bike-friendly environment. The house is located in a car-free and child-friendly park with its own parking space. A playground is available. The small park is at the foot of the dunes, the highest in the Netherlands. The largest playground in the Netherlands is nearby. You can park your car on site.

The center of Zoutelande is a 5-minute bike ride or a 10-minute walk away and offers a wide range of restaurants, shops, souvenir shops, bike rental and a fresh bakery. The fashionable Domburg is half an hour away by bike, just like Middelburg with its many monuments
