

Beach Feeling

Now that's ultimate relaxation: waking up on the beach with the sound of waves and seagulls in the background. And how about enjoying a barbecue on the beach in the evening while watching the sun set over the sea? The cottage is only available a few months each year at this unique location, so the sanitary facilities are not permanent. Nonetheless, the cottage is equipped with all the necessary amenities. You experience it all in this sleep beach house on the white sandy beach of Dishoek—a beach experience you will never forget!

Accommodation

Spacious Living

The beach house features a fresh and modern interior, and the smart layout creates a very spacious feel. This is further enhanced by the large glass façade at the front, which can be completely opened up.

Freedom

The front terrace and the interior merge into one large space, offering an ultimate sense of freedom! The front terrace has an area of 7 square meters and is partially covered by a sunshade.

At the front of the holiday home, there is a cozy seating area with a sofa, where you can use the beach Wi-Fi during your stay. Next to the seating area, you'll find the spacious open kitchen, complete with a countertop providing plenty of work space, a gas hob, a refrigerator with a freezer compartment, a microwave, a coffee machine

(both filter and Nespresso), a kettle, and a toaster. Opposite the countertop is a large cupboard wall with ample storage options, ensuring that you can always keep the cottage tidy and enjoy your vacation in peace.

The sleep beach house features a double bed (160x200 cm) and in the loft (without standing headroom) there are three separate single beds (90x200 cm). The two roof windows further enhance the spacious feel.

The back terrace (3.5 m²) is accessible from both the outside and the inside, offering a delightful private atmosphere. Here you will find two comfortable beach chairs and a sunshade. This terrace also leads to a separate shower room. The simple bathroom is equipped with a shower and a basic toilet; due to the absence of a fixed sewage system on the beach, the sanitary facilities operate more slowly and differently than usual. All additional information is available in the accommodation or via frequently asked questions.

When renting the beach house, you can also make use of the parking permit, which allows you to park one vehicle free of charge on the parking area. Additionally, a handy foldable luggage cart is available in the accommodation for transporting your luggage.

Surroundings

Evening Delight

The sleep beach house is located directly on the beach of Dishoek, one of the most popular beaches in Zeeland. The beautiful white sandy beach is very well maintained and offers various facilities, such as a lifeguard, showers, and the rental of sun loungers and parasols. These optimal amenities enhance convenience and, in turn, the holiday enjoyment of many guests. The various, cozy beach pavilions complete your beach vacation. Right next to the beach house is the charming beach pavilion Kon Tiki, where a lively atmosphere is always present. Here, you can enjoy delicious food, drinks, and a relaxed ambiance. For everyday necessities, you won't have to go far—the nearest supermarket is located about 200 meters away, behind the dunes of the beach.
