The living quarters with a sofa and dining corner are at the front of the beach hut. Double doors provide access to a 7m2 front patio. The kitchen, which is equipped with a gas hob, fridge, freezer, combi microwave, filter coffee machine, kettle and toaster, is located next to the seating area. Guests can spend the night on a fold-out double bed (160x200 cm) and on the mezzanine (no headroom) you will find 3 single beds. A wardrobe is available to tidy away your things and clothes.

This beach hut is the perfect place to lounge in the lively and cosy atmosphere on the beach all day long. Watch kids build sandcastles, relax in the sun or go for a walk on the seashore. If you prefer a little more peace and quiet, the rear patio (3½m2) offers just the right level of privacy. The simple bathroom is equipped with a shower and basic toilet, there is no sewage system on the beach so sanitation is slower and works differently than usual. Any additional information about this is available in the accommodation or through frequently asked questions (FAQ). A spacious car park is available near the beach. A free parking permit for one vehicle at this car park is included in your booking.
