Zoutelande's main shopping street, the Langstraat, is just around the corner. A bakery, supermarket, a number of nice boutiques and other specialty stores are all nearby. The cozy restaurants and terraces of Zoutelande are also within walking distance. Just 100 meters away is the beach crossing at the boulevard, where you can see the boats sail by. Hear the waves crashing as you lie in bed - now that's a nice way to wake up.
