Wide view over the fields and the animal pasture

Welcome to this apartment on the grounds of "Rustepolder," an arable farm with mini-camping in Vrouwenpolder. The apartment is located on the top floor of the former farm barn, giving you a wide view over the fields and the animal pasture. So be sure not to forget to look outside when you wake up, and then have breakfast overlooking the rabbits, chickens, goats and little kangaroos.

Spacious vacation apartment decorated in bright colors

The four-person apartment is situated on the first and second floors and accessed by a wide staircase. On the first floor, you enter the bright living room (with flat-screen television). The interior is homely, with cheerful colours. Here you will also find the kitchen, dining table, sitting area, first bedroom and a bathroom with a toilet.

The welcoming open kitchen has a combination microwave, a dishwasher, a fridge, a toaster, a kettle and a Senseo filter coffee machine. The first bedroom has a 160 x 200 cm box spring bed. The second bedroom is on the second floor. Here you will find a roll-away bed and two single beds: one of 80 x 200 cm and one of 120 x 200 cm.

On sunny days, you can sit outside on the terrace next to the front door (28 m<sup>2</sup>) or in the shared garden. Alternatively, take a walk around the property and get to know the farm!

Bicycles can be stored under the stairs immediately upon entering. Bicycles can also be rented from "the Aktuelle Preise finden sie auf unserer Homepage."

neighbours" if you do not have your own. The property is perfect for guests with children, as the long driveway ensures that they cannot easily walk onto the street. The property includes an outdoor playground, go-kart, swing, sandpit and trampoline where children can enjoy themselves outside.

In five minutes cycling on the beach

This holiday home is less than a five-minute bike ride from the beach or the entrance of the Oranjezon nature reserve. The area is known for its abundance of walking routes and, of course, the fallow deer. Head out early if you want to maximise your odds of spotting deer. The Veerse Lake is not far from the apartment (about 15 minutes by bike). It is particularly lovely being on and around the lake on sunny days.
