

The houseboat is moored in the Waterrijck Sneekermeer marina. The house offers a gorgeous view over the water. The houseboat has a beautiful living room with a comfortable seating area and smart television. The gas fireplace in the living room ensures a comfortable stay, even in colder weather. The open-plan kitchen has all mod cons such as a combi microwave, dishwasher, refrigerator with freezer compartment, coffee machine (filter and Nespresso), kettle and toaster.

The two bedrooms are furnished with a double bed, nightstands and blackout curtains. The bathroom features a shower, toilet and a bathroom cabinet with a mirror.

The houseboat's roof terrace and garden (25 m2) offers a panoramic view over one of the most beautiful marinas in Friesland: Waterrijck Sneekermeer. The garden is a wonderful place for barbecuing. The stairs lead to the sunny rooftop terrace, where you can sunbathe while enjoying a stunning water view.

You can also moor your own boat alongside the houseboat if you want. There is always a space for your car. You have your own parking space in the car park.

Surrounding area

This extraordinary holiday home in Waterrijck Sneekermeer is in the village of Offingawier. Because the Sneekermeer lake is inextricably linked with water sports, there is always something to experience. Looking for a unique way to explore Friesland? Hire a dinghy or sailing boat from the marina. You can also dock your boat alongside the houseboat. A waterskiing facility is nearby, and the lively beach club indulges guests with delicious drinks, lunch or
