Extra facilities for a carefree holiday

The apartment includes one reserved parking space, but you can also park in the large parking lot. It is also possible to park a boat with a trailer in this parking lot, and there is one pole for charging electric cars. If you are traveling with small children, a foldable baby bed (60x120cm) and a high chair are available. Pets are welcome; a maximum of two dogs are allowed in De DijkSuite. In the locked storage room downstairs, (electric) bicycles can be stored and charged.

Explore the beautiful surroundings of Tholen

The accommodation is located on the island of Tholen, characterized by peace and space. Built on the very tip of a pier at the foot of the Oosterschelde, you have a unique holiday location at the largest and wettest National Park in the Netherlands. This location is also perfect for diving, with a diving school and the Oosterschelde as the backdrop for beautiful diving spots. There is also a compressed air filling station for divers at the bottom of the dike at Camping de Zeester. Prefer to stay above water? Take a trip with the foot ferry to Yerseke in the summer months. Or discover all the beauty of this island on foot, by bike, or by scooter. Both above and below water, there is plenty to experience on the Oosterschelde. On the ground floor of the complex, Brasserie de Zeester is within reach for a delicious lunch or dinner, or join in for a drink/snack.
