

The private entrance at the front leads directly into the cosy living area with a sofa, television and a dining table that seats four. The open kitchen is adjacent to the living room and is equipped with an induction stove, refrigerator with freezer compartment, combination microwave, dishwasher, filter coffee machine, kettle, toaster and other kitchen inventory. There is also a washing machine in the kitchen. The bathroom features a walk-in rainfall shower, toilet and bathroom cabinet with mirror. Next to the bathroom is the bedroom, which has an electrically adjustable double bed (180 x 200 cm). This bed can be used as two separate beds on request. The bedroom also has nightstands, a closet/drawer unit and blackout window coverings. The accommodation includes free use of Wi-Fi. A high chair, a folding crib (60 x 120 cm) and some games/toys are available in the house for a baby or toddler. Pets are not allowed. There is a cosy outdoor seating area at the front with two chairs and a small table next to the designated parking space. There is an electric car charging station outside the accommodation.

Surrounding area

Westkapelle is the westernmost village on the island of Walcheren. The eye-catching lighthouse and the five-kilometre-long Westkapelse Zeedijk serve as landmarks. The lively village has all basic amenities within easy reach. You don't have to travel far for a supermarket, bakery, butcher, drugstore and other local stores. There are also several great restaurants in the village. If you want to explore the area by bicycle, you can rent a bike in the village. The small island of Walcheren has many beautiful cycling routes and quaint villages such as Zoutelande, Domburg and Veere. The beautiful capital Middelburg with its historic centre and the maritime city Vlissingen are
