Surroundings

Vrouwenpolder is a cozy family seaside resort on the beach. Vrouwenpolder borders two beautiful natural areas between Domburg and Vrouwenpolder: the Manteling (740 ha), a wide strip of land with dunes and forests and the Oranjezon dune area (400 ha), with country houses and the impressive Westhove Castle. The Reddingsbrigade with a first aid post is present from May to September, and of the inner well-being is also thought by the presence of a bakery, a supermarket, ice cream parlor, various lifestyle shops, various beach pavilions and restaurants.
